

DIRECTIONS FROM GBMC

## cosmeticsurg • the science of beauty

- 1** Turn **right** out of GBMC onto N. Charles Street. This is in the direction going toward I-695. Stay on N. Charles for about 2.2 miles.
- 2** As you get to the end of Charles you will be crossing over I-695. At this point you will approach a traffic circle. At the traffic circle, go around 3/4 of the circle, and get off at the 3rd exit that is labeled “**695 West to 83 North/ 1300 blk Bellona Avenue**”.
- 3** Follow the sign pointing to **695 West to 83 North/ 1300 blk Bellona Avenue** and go straight down this ramp about 200 feet. Take a **RIGHT** at the **SECOND** entrance (which is marked by the red sign that says “Bellona Commons”). Be careful not to miss this turn, because doing so will put you back on the 695 Beltway.

## cosmeticsurg • the science of beauty

- 5** After turning right, you will take an **immediate left** to follow the road that runs along the silver fence for the distance of two buildings. Go straight until you see the 1300 building and the logo for CosmeticSurg. We are located next to “The Spine Center”. Parking is around the back of the building and the main entrance to the office is at the back of the building.
